

The Star Outreach Committee run the Pre-Loved Uniform Shop at Star of The Sea.

All clothing is generously donated by families in our community after their children have grown out of the clothing or left the school.

The money raised goes back to the school and has in the past been used to fund the friendship benches, the chess set, graduation gifts, parent welcoming morning teas, communion, and confirmation gifts, running of the community kitchen and subsidy of chess club.

Our primary purpose is to connect families and build community through the lens of our Catholic faith. If you have any ideas of how we can connect and build community, please contact Vania Dotto – [vanialdw@icloud.com](mailto:vanialdw@icloud.com) or Belinda Fernandez – [belinda\\_hutchins@hotmail.com](mailto:belinda_hutchins@hotmail.com)
