SCHOOL VISION STATEMENT

Our school is built on the core values of respect, inclusivity, compassion, collaboration and honesty. We support our families as the first and foremost educators of their child's faith development. Our vision paves the way for educating students for the 21st century but also draws from our history and tradition.

We guide our learners to be self-managed, innovative and critical thinkers who have a strong sense of who they are and their relationship in their world. As a learning community, value the skills necessary to build meaningful relationships and for learners to be connected to each opportunity to develop their own personal growth. We encourage our learners to question, explore and discover so they actively contribute to a more compassionate society.

PURPOSE

Star of the Sea School is committed to ensuring that our children at the start of their schooling can access active play and be comfortable for learning. To enhance fitness and encourage total engagement of students in all areas of study, the Sports Uniform has been adopted for our Reception to Year 2 students.

The Star of the Sea School uniform is designed to:

- ◆ Identify our school as Catholic
- ◆ Exclude competition
- ◆ Provide equality of clothing
- ◆ Instil a sense of pride in our school
- ◆ Ensure cost effectiveness
- ◆ Ensure practicality for various activities
- ◆ Maintain a neat and attractive appearance
- ◆ Social justice measure

ROLES AND RESPONSIBILITIES

The Star of the Sea School Uniform Policy and Procedure documents are endorsed by the School Board and enforced by the Principals and teaching staff.

Agreement to adhere to the Uniform Policy and Procedure is a condition of school enrolment. Parents are asked to support the Uniform Policy by ensuring that their child (children) has the required uniform, and that they wear the uniform neatly and correctly. Star of the Sea School will ensure that a copy of this policy and the supporting procedure is made available to the school community.

The Principals will: Inform parents/carers of this policy and the related procedure.

All Staff members will: Remind children of the correct uniform and follow up with families if the incorrect uniform is worn.

Students will: Wear the full and correct school uniform, as outlined in the Uniform Procedure.

Parents / Caregivers will: Purchase the correct uniform and ensure that their children follow the school guidelines.

Wearing a school uniform helps to promote a spirit of community and gives our students a sense of belonging. All students are required to wear the approved school uniform to school each day. Students are also expected to show pride in themselves and their school by meeting requirements relating to grooming and presentation.

Uniform Compliance:

If a student wears an incorrect uniform item, an email will be sent home to inform the family. If the issue persists, a follow-up email will be sent. Should the non-compliance continue requiring a third notification, a meeting will be arranged with the class teacher and a member of the leadership team to discuss the matter and determine appropriate next steps.

There are three uniforms: Summer, Winter and Sport.
